

Chromatic Triplet Sequence #1 -(1-2-3 fingers) / /

The diagram illustrates a chromatic triplet sequence on a guitar fretboard. It consists of four identical fretboard grids, each with 22 frets (labeled 1fr to 22fr) and 6 strings (labeled 6, 5, 4, 3, 2, 1 from top to bottom). The sequence starts at fret 20 with finger 1, moves to fret 19 with finger 2, then to fret 18 with finger 3, and continues down to fret 17 with finger 1, fret 16 with finger 2, and fret 15 with finger 3. This pattern repeats every three frets down to fret 1. The diagrams are numbered 1 through 4, with arrows indicating the finger sequence for each fret.
